# ADITYA SURGICAL

Mfg. Veterinary Surgical Products

## ABOUT US

We are a leading manufacturer of disposable veterinary products, including hand gloves, examination gloves, aprons, needles, AI equipment, surgical equipment, & sheaths. We are an ISO 9001-2015 certified company with a decade of experience in the industry. Our products are manufactured from 100% virgin recyclable materials and meet international standards. We are committed to customer satisfaction and believe that success is measured by the continuing success of our customers.

## VISION

Our vision is to be the leading global supplier of disposable veterinary products. We aim to achieve this by providing high-quality products, excellent customer service, and a commitment to innovation.

## MISSION

Our mission is to provide our customers with the best possible products and services. We do this by:

Manufacturing high-quality products that meet international standards  
Providing excellent customer service  
Investing in research & development  
Expanding our global reach

We believe that by following these principles, we can achieve our vision of becoming the leading global supplier of disposable veterinary products.
