Mfg. Veterinary Surgical Products

www.adityasurgical.com

ABOUT US

We are a leading manufacturer of disposable veterinary products, including hand gloves, examination gloves, aprons, needles, AI equipment, surgical equipment, & sheaths. We are an ISO 9001-2015 certified company with a decade of experience in the industry. Our products are manufactured from 100% virgin recyclable materials and meet international standards. We are committed to customer satisfaction and believe that success is measured by the continuing success of our customers.

VISION

Our vision is to be the leading global supplier of disposable veterinary products. We aim to achieve this by providing high-quality products, excellent customer service, and a commitment to innovation.

MISSION

Our mission is to provide our customers with the best possible products and services. We do this by:

Manufacturing high-quality products that meet international standards
Providing excellent customer service
Investing in research & development
Expanding our global reach

We believe that by following these principles, we can achieve our vision of becoming the leading global supplier of disposable veterinary products.
